**Service Hours**

**Due June 13th**

As you know, each All Saints family (in grades kindergarten-8) is responsible to volunteer at least 10 hours each school year. We rely on active parent partnership to provide a learning environment in which all students are able to maximize their academic and spiritual potential. To date, we have over 2,500 hours of volunteer service logged by parents. Thank you for making such a difference!

We will be sending invoices for unmet service hours in May. There are still opportunities to volunteer in May and June and we are asking all parents to submit their final service hours no later than **Friday, June 13, 2017.**

Logging service hours can be completed online at [www.allsaintscs.com/service](http://www.allsaintscs.com/service) or use the Quick Links drop-down on our website.

Thank you so much for supporting our school.

**Friday Is Variety Show Deadline**

Our world famous Variety Show has returned and students are now encouraged to sign-up using the permission slip forms at the end of the newsletter or online at [www.allsaintscs.com/variety](http://www.allsaintscs.com/variety). As a reminder, all 4th through 8th graders are encouraged to showcase their talents for two performances on Thursday, May 25th, at 7:00 p.m. and on Friday, May 26th, at 8:30 a.m. Forms are due before May 12th to the office. The required rehearsals will be held on Tuesday, May 23rd, and Wednesday, May 24th.
Fourth Graders Bring History To Life
What do Alexander Graham Bell, Paul Revere, and Mother Teresa have in common? They were some of the historical and religious figures our fourth graders researched for student biography projects and living museum event last Friday. The students did more than just research a person and write a report. They literally “became” the person as part of the project. To bring their person “alive,” the students dress in costume and present information about their chosen historical figure in class and as part of our annual Biography Night. Parents, family members, and friends were invited to attend and see the children live the part of their report subject.

May Crowning
At Mass last Tuesday, our All Saints community honored our Mother Mary with the annual May Crowning ceremony. Students brought in flowers which were assembled in bouquets surrounding the statue of Mary. During the procession, each homeroom had two representatives, one to carry the room’s saint banner and one to place a flower for Mary. After Mass, our early childhood student had their own May Crowning ceremony as each student presented a flower honoring Mary.

2nd Grade Retreat With Seminarian
Our second graders enjoyed their annual religious retreat last Tuesday as they continued their journey towards celebrating their First Holy Communion. Students spent time focusing on Jesus and understanding the importance of the Eucharist. They did a craft and played a game related to the First Holy Communion and the parts of Mass. Derik Peterman from the Sacred Heart Major Seminary in Detroit was also on hand to answer questions and help out throughout the afternoon.
4th Graders Studying Electricity
Using balloons, fourth graders were busy testing static electricity and how oppositely charged particles attract while like charges repel. The students arranged batteries and wires in different ways to light up a light bulb. Once students created closed circuits, they tested different materials to determine if they are conductors or insulators of electric current.

Robotics Presentation...
Sparky is the name of the new All Saints First Tech Challenge (FTC) robot, as chosen by students in grades 3 through 7 who attended a robotics demonstration this past Tuesday after Mass. In addition to meeting our new FTC robot and robotics team of 6th through 8th graders, the students had a chance to learn about robotics opportunities for next school year. We have a First Lego League (FLL) team for grades 4 and 5, as well as robotics electives for grades 7 and 8. The FLL team needs parent coaches for fall. Contact the school if you are interested.

Relay For Life Is May 20th
Help us rise up against cancer at this year’s Relay for Life of Canton! Our team, Team All Saints, invites you to come and support us at Relay for Life on May 20, 2017, at Heritage Park in Canton from 10:00 a.m. to midnight. You can come anytime throughout the day; however, if you cannot come, yet would like to donate, you can visit our team page online. **Girl Scouts Troop Plants Tree For Arbor Day**

The next time you drive around back loop, look for some new greenery! Cadette Girl Scout Troop 41288 planted a Japanese maple tree as a gift to the school on April 25. The date was chosen to coincide with Earth Day and Arbor Day activities. The event was part of the requirements for the scouts to earn the Trees badge. Troop members look forward to watching the tree grow and serve as a lasting contribution to All Saints. Special thanks to Jeffrey Burke and Carr Burke for assisting with the planting of the tree, and to Mr. White for advising the troop on landscape management.

**6th Graders Spend Time In Chapel**

Last Tuesday afternoon, Mrs. Roose’s sixth graders spent some quiet time in prayer in the chapel. They focused on their conversation with Jesus and how to see the Holy Spirit working in their lives.
The All Saints Blue Thunder baseball team defeated GESU, 18-7, for the teams first win of the season! Go Blue Thunder!

The ASCS athletics (CYO) program just announced registration is currently open for Fall (2017) sports and will close on May 21, 2017. Families may register for:
