

All Saints Summer Camp

Back again by popular demand! This summer, one summer camp will once again be offered to current ASCS Preschool and Pre-K students. This week is designed to blend early science, math, and literacy skills together with summertime creativity and the fun of learning. This camp is a great way to refresh early academic and social skills during the summer.

This camp will be taught by Mrs. Muncy in Room 111.

Happy Campers

July 23 – 27 9:00 – 12:00

Students will enjoy a week full of happy camping activities! They will be welcomed into our very own indoor tent, enjoy camping themed projects and games, learn some new “round the bonfire” songs, and make a few tasty campfire treats! We will spend a lot of time outside exploring the nature around us! Students bring a healthy snack each day.

All Saints Summer Camp
