If the answer to any question is "yes," keep your child home and consult your primary care physician. If a doctor determines that the symptoms are due to another diagnosis, or COVID-19 is ruled out, your child may return to school after being fever-free for 24 hours without the use of fever-reducing medication.

RETURN AFTER

Exclude from school until 10 days have passed since symptom onset and fever resolved for at least 24 hours without the use of fever-reducing medication.

OR

Parent/staff member has communicated with medical provider, received an alternate diagnosis, and has been cleared to return to school.

OR

Staff/student may return to school with proof of negative PCR test result, provided symptoms have improved and fever resolved for at least 24 hours without the use of fever-reducing medication.
